Many thanks!!

January & February, 2020

MESSAGE FROM OUR VICAR

Dear Friends,

Our Stewardship Campaign was a big success. As I write, we have 44 pledges totaling about \$112,000 — compared to 26 pledges for about \$70,000 last year. Thanks to each of you who pledged, and more, for your spiritual commitment to Christ, made concrete at St. Luke's Church.

We discovered this year that we need to upgrade our climate control (HVAC) system, so much as I hate to do this, I'm again asking for money. Our immediate need is to replace the system serving the sanctuary, which will cost about \$35,000. We have about \$10,000 on hand received as a gift from the estate of Joyce Jackson, and we're hopeful that if we can raise \$7,500, we can convince the Diocese to match that \$17,500. *So, as we approach year end and the celebration of Christmas, I'm asking that you please make a one-time donation to help raise that \$7,500 — any amount will help, and I'm hopeful that everyone will donate something, to demonstrate to the Diocese our commitment to our physical plant.*

We hope to install the new system in the spring, after winter's cold and before summer's heat. If you have questions about this, please talk to me, Treasurer Carle Robbins, or any member of the Bishop's Committee. *If you choose to donate to this, please put "HVAC" in the memo line of your check.*

Please accept my warmest wishes for a Merry Christmas and Happy New Year!
Blessings,—John Rule+
